SPECS HERE**

FREE Design Consultation

KEY INFORMATION WE WILL NEED FROM YOU:

- ✓ What design project are you working on?
- ✓ What do you hope to achieve in your final design and look?
- ✓ What is the fundamental challenge to your design - quality, cost, both, or something completely different?

DESIGN CONSULTATION TERMS:

- If we provide you a FREE quote for what you are requesting, you will provide us with the drawings to go to the next step (without receiving design engineering, value engineering, or calculations).
- If we provide a budget price for your preliminary design, and you wish to proceed, a 10% deposit is required as well as the cost for detailing, engineering and calculations. Due to our expertise in the industry, we receive many requests for design consultation. We will not offer free design, or assistance, beyond our initial consultation.

HOW TO PROCEED:

- Complete the FREE Design Consultation Request Form (on the following page).
- Once you have submitted the Request Form (email: rvandrie@couturierironcraft.com, or fax: 616-784-5077) provide us with your preliminary design drawings for your project.
- A member of our estimating team will contact you.

DESIGN CONSULTATION REQUEST FORM

Name_____

Company_____

Address_____

City_____ State_____ Zip_____

1. What design project are you working on?
2. What do you hope to achieve in your final design and look?
3. What is the fundamental challenge to your design - quality, cost, both, or something completely different?
